Is that so?
Am I imagining things, or did my reflection...
Just speak?
You just don't belong in the world!
ShengNan, let me come out!

CRICKLE
Ahh! Get away! You monster!
...
quiet
Ack...
Not good!
I fell asleep during class again!

Sheng-Nan! Do you think I'm an inadequate teacher for the class?
HA
Listen up, ShengNan's going to tell us what her heaven's eye sees!
Maybe then we'll be good enough to see the mystery person!
Mystery person? It's like being in a magical school!
HA HA
So the eye grew on the top of her head!
All right! I'm listening!
Ha ha!
HA
ShengNan's mom has a mental disorder...
Could this disorder be hereditary?

Do you want me to help you silence that boy?
Appeared again!
Her house was opposite of mine but then there was a strong explosion that became the lead story on the news!
You're very angry!
Why am I the only one who can see this person? Could he really be just a figment of my imagination?

She always wears drama clothes on a packed street when trying to escape.
Ha
Ha ha
Is it really true? Haha...
Haha
Die, MaoLi!
I really want to tear off your smelly, rotten mouth!
SWISH—!
MaoLi! How are you making your face do that?
Hurts!

Good! I'll...
tear him to shreds!
That's gross!
GR-GH
What are you trying to achieve by doing that with your face?
Stop fooling around!
He really does exist! I'm... not insane!
Everyone can see the proof of the mystery person!

How fun!
ding dong ding
Why didn't you let me tear that guy's face to shreds?
A rich person is a truely forgiving one. That said...
Uncle! Who are you?

Class three's JunHao.
Jun-Hao
So handsome
Wow!
W-what is with all that shouting?
ka-chack
How annoying!
Che...
My locker's full of garbage again!

You're blushing. Do you like that boy?
It's...
one-sided love, nothing more.
It's simple then. I'll make him pass out then have him trail you back home.
clack
What ?!
Stop! Don't touch him!

AHH!!
What's that girl doing?
What...
are you doing?
?
My stomach's hungry. Time to go home and eat... Hehe.
Ah! Ha ha!

It's over. I've become the female student's public enemy...
This time... was I a nuisance to Jun-Hao?
Uncle!
You can't cause trouble like this! You almost hurt Jun-Hao!
After all of this, just who are you?

I'm not a person.
The world simply doesn't tolerate a ghost.
Uncle! You...
Why can I see you?
This isn't by chance.
You're not an ordinary person...
You're very special!

Great! I'm the only unordinary person in the area. This is just what my classmates need to reject me...
Don't be so pessimistic...
You're destined to be revered by tens of thousands of people! Besides...
You're the only one who can... RESURRECT ME!
